**The Montana Wilderness and Glacier National Park** form an inspirational backdrop for meetings and groups at The Lodge at Whitefish Lake. Built from native wood and stone, the hotel evokes memories of the grand lodges of the past while providing the comforts and technology of today.

The accommodations measure up to 2,400 square feet and provide fireplaces, balconies, and conversation areas for informal meetings and gatherings. Thanks to true Montana hospitality, all group members feel at home from the opening reception to the closing banquet.

A 1,500 square foot prefunction area services the Conference Center, which features a 6,366 square foot ballroom holding up to 300 participants or dividing into three smaller sections. The Board Room and Private Dining Room provide intimate spaces for executive sessions, while the Lakeside Pavillion Area adds another 2,100 square feet for events in the great outdoors.

Between meetings, attendees choose from a wide range of activities at hand, from dining at the Boat Club Restaurant to pampering sessions at the full-service, on-site day spa. Active participants enjoy snow sports in winter and white-water rafting, hiking, mountain biking, boating, fishing, and golf in the summer. Take advantage of having the Lodge Marina at your doorstep and rent a sea kayak, canoe, or take a ski boat out for fun in the sun! The crown jewel of all activities is time spent at nearby Glacier National Park, just 45 minutes away.
