Say "I DO" along the shore of Whitefish Lake!

When your wedding or reception is held at the Lodge at Whitefish Lake, you have our full attention. Lakeside or inside, the Lodge has everything you need for your special day.

Our experienced staff will provide the expertise and assistance to help plan your day. Your wedding tables will be perfectly set, including the table linens, overlays, china and flatware. And when it's time for that first dance, the dance floor will be waxed and ready.

Your friends and family will be delighted with their accommodations at our full service resort. Choose from spacious lodge suites, condominiums, or guest rooms with spectacular views of the shimmering lake.

To make it the perfect wedding day getaway, treat yourself to our full service spa, dinner and drinks at the Boat Club restaurant, a spin around the lake in a boat rental at our marina, or take the wedding party for a dip in the outdoor pool and hot tub. All of this in an incredible mountain setting on Whitefish Lake!
